4+1 FAQs, Next Steps, and Future Planning	

4+1 FAQs

- Any Broward College student who is currently enrolled in the Bachelor of Science in Environmental Science can enroll in up to twelve (12 semester credit hours) from SNHU's Master of Business Administration concentration in Sustainability and Environmental Compliance.
- 4+1 participating Broward College students will enroll with SNHU as a Graduate Course Work Only (CWO) student and will be eligible for a 10% tuition discount which the student applies for on the Tuition Discount Form accessed through their my.snhu account.
- SNHU Graduate Tuition rates apply and tuition is billed directly from SNHU to the student.
- Broward College has agreed to accept and apply the SNHU graduate credit to the participating student's undergraduate degree per the terms of the agreement.
- Broward College students will apply for financial aid through Broward College but are required to pay tuition directly to SNHU for the enrolled SNHU graduate courses.

4+1 Next Steps

- Meet with your Broward College Program Advisor to discuss participation.
- Contact SNHU Course Work Only Admissions Counselor to enroll. Students will need to provide their most recent official transcript to enroll.

Future Planning

- To pursue graduate degree options: Students should contact SNHU Admissions to discuss graduate admissions policy and if additional foundation courses will be required for the program of choice.
