Instructions: Please indicate whether you have ever experienced any of the following types of unwanted sexual conduct since you enrolled at SNHU, whether on-campus, off-campus, during a break, or when school was in session. If multiple types of unwanted conduct occurred on the same occasion, please indicate all that apply.

For the purposes of the following questions, “incapacitation” is defined as: when a person cannot consent because they are unable to understand what is happening or are disoriented, helpless, asleep, or unconscious for any reason, including by alcohol or other drugs. Incapacitation is a state beyond intoxication. Someone touched, kissed, or rubbed up against the private areas of my body, removed some of my clothes, or made me touch them sexually, without my consent (but did not attempt sexual penetration).
